*Our mission is to guide students
to become informed, engaged
citizens, and curious, lifelong
learners.*

January 8, 2021

Kankakee Valley School Corporation Families:

After a great break, we should all be energized to return for our second semester.

A few reminders:

- The Federal Free Meal Program will continue second semester.
- Conducting regular screening for symptoms and ongoing self-monitoring through the school day can help reduce exposure.
- Teachers, staff, and students are encouraged to self-monitor for symptoms such as fever, cough, or shortness of breath.
- If a student develops symptoms throughout the day, they must notify an adult immediately.
- Students and staff will continue to wear mask on the bus and at school.

Kankakee Valley School Corporation was notified of five individuals testing positive within our school district this week. KVIS had four and KVHS had one positive case. Our nurses and administration immediately did contact tracing, contacted the Jasper County Health Department, and the State of Indiana contact tracing center.

Kankakee Valley School Corporation appreciates your understanding as we all live together during this COVID-19 environment.

Warm Regards,

Don Street
Superintendent

Allisa Schnick
Assistant Superintendent
