Mission statement:

*Our mission is to guide students
to become informed, engaged
citizens, and curious, lifelong
learners.*

April 23, 2021

Kankakee Valley School Corporation Families:

Kankakee Valley School Corporation was notified of one individual testing positive within our school district this week at DES. Our nurses and administration immediately did contact tracing, contacted the Jasper County Health Department, and the State of Indiana contact tracing center.

The Advisory Level for Jasper County remains at Orange on the Indiana COVID-19 Dashboard and Map. Our county continues to experience a high positivity rate. We encourage everyone to follow the guidelines from the Indiana Department of Health.

As a continued reminder, Kankakee Valley School Corporation has created a direct telephone line to report student or staff COVID-19 positive cases when school is not in session. We ask that you also use this number to inform the school that your child is testing for COVID-19, even if you don't have results back yet.

Direct COVID-19 line: 219-987-8815

It is also available by dialing any school building and dialing extension 1155.

Sincerely,

Don Street

Superintendent

Allisa Schnick

Assistant Superintendent
