Kankakee Valley School Corporation Families:

As we continue to monitor the COVID-19 data for Jasper County, our county continues to have a low positivity rate. We appreciate the support and assistance that you are giving the schools. The students are following directions with mask requirements and observing social distancing.

Kankakee Valley School Corporation will have a scheduled eLearning day on Tuesday, November 3. Students in grades K – 12 will have their devices and will be expected to do eLearning as assigned by their classroom teachers. Information on eLearning can be found at <https://bit.ly/33KyuNM>. This document explains the adjustments made to the eLearning expectations during the 2020-2021 school year. Zoom will be utilized during specific times during the day. Specific information will be provided to students and parents as we approach November 3.

Kankakee Valley School Corporation appreciates your understanding as we all live together during this COVID-19 environment.

Sincerely,

Don Street
Superintendent
